

Leandro Donato Schutte Lazo

I am a current architecture student at the University of Arizona and part of the Wildcat community. I am seeking new work experiences where I can both expand my knowledge and skills and contribute my abilities and enthusiasm to the team. I consider myself a responsible and organized individual, committed to delivering quality work and supporting the goals of the projects I am involved in.

EDUCATION

2008 *High School Degree – International Baccaularette*
2021 *Graduated December 2021, Colegio Internacional Peruano Británico, Arequipa, Peru GPA 4.0*

2023 *Bachelor of Architecture, University of Arizona*
2028 *Expected Graduation May 2028, Tucson, AZ GPA 3.775*

WORK EXPERIENCE

2021 *Composer and Beat Maker*
Present

- Managed social media for the music production business by engaging with audiences and partners on YouTube, WhatsApp, Facebook, and Discord.
- Received recognition for winning second place in a beat production competition through Discord.
- Managed different concepts of music to organize the ways a song can be made resulting in compositions that respect the proposed musical genre.

2024 *BDMF Business Director, Tucson, Arizona*
2025

- Attended Bear Down Music Festival directors weekly meetings, taking creative decisions for the event.
- Organize a team of volunteers to work as cashiers and develop good customer service, registering sales and expenses before and during the event.
- Registered event sales and coordinate with the marketing team to bring promotional content for pre-sales.
- Organized the budget for the development of the event, and coordinated the expenses throughout the BDMF team.

VOLUNTEER

2023 *Christmas Help in a Hospital with Kids with Cancer, Arequipa, Peru*

- During Christmas days, I helped in the packaging of gifts and resources for several kids with cancer in the hospital.
- Participated in the Christmas event organized by the hospital developing a Santa Claus character and bringing them gifts resulting in a happy moment for them.

2019 *Help in a Home for the Elderly*

- During the first week of December, I managed a Christmas event where the elderly could get chocolate and panettone, as well as the participation of a band.
- Participated in giving blankets and commodities for the elderly resulting in a grateful day for them.

2020 *Help with Working People that Required Needs*

- Managed the packaging of food and supplies in Christmas gift boxes for going through the city to gift them to people who live in the streets.
- Searched through different parts of the city for people who needed these supplies resulting in helping more than 50 persons.

SOFT SKILLS

Ability to Learn and develop quickly : As an international student from Peru, I have successfully adapted to studying in the United States and continue to perform well academically.

Team Player: Followed a structured program and adapted to different activities while working with a team to provide children with a positive experience.

Creative Thinkers: Utilized modern software to develop architectural projects and clearly communicate design ideas.

Punctual: As a University of Arizona student, I effectively manage my schedule to remain punctual for all commitments and events.

Skilled in Verbal and Written Communication: Built an artistic brand by managing my social media presence and expanding my network of artists.
